Dear friends,

I have enclosed a picture for you that you will certainly want to keep for your vast history. I have a question, Is the book that is being held by Orange Washington Pool the Barney's Prairie Log Book.

The Barney's Prairie Christian Church Log Book is in your hands dated 1819 and contains the early days of this Wabash Co, Illinois church, said to be the oldest Christian Church in Illinois and is truly existing as I attended service there some 4 yrs ago. My ancient grandfather Elder James Pool settled Wabash County, Ill in 1815 and was the founder of this church being called today "Barney's Prairie Christian Church Disciples of Christ" and is located somewhat north of Mt Carmel, Ill in northern Wabash Co.

The photo enclosed is the son of Elder James Pool being Orange Washington Pool. He was born Mar 4, 1822 in Friendsville, Wabash Co., Ill and died Feb 25, 1884 in Berryville, Illinois from fall from his layloft. He is buried with wife, Louisa M Smith at the Shilow Cemetery near Berryville.

Perhaps you cant tell but would be interested to see if comparing this photo with the Log Book mite tell us if the book he is holding is in fact the log book. I suspect it may be, me never seeing the log book which you have. It does not appear to be a bible and thus have always thought it just might be the Barney's Prairie Log Book.

Sincerely, Kee

You may keep the picture.

I most certainly will visit you sometime in the future. In the mean time, I would like to hire for pay, a person to professionally and accurately transcribe this log book. Please quote and I will pay in advance.
